The weekend promises to be exciting with the Auction sale in Hall 3 at the International Centre on November 18 and the Train Show in Hall 3 on Saturday & Sunday and the Toronto Toy & Doll Collectors' Show on Sunday in Hall 4. We will be cross promoting both shows with special discount admission coupons

Don't miss out on our lower prices for multiple booths and especially our early bird prices! **Please note:** There will very limited extra tables available unless they have been pre-ordered. Our 2011 Train show will be the largest in Ontario and will feature over 50 layouts/exhibits and 225 vendor tables with everything for the rail fan, modeller, historian and toy train collector.

So... if you have got model & toy trains, kits, accessories controls, scenery, track, switches, books, videos, DVD's, slides, photos, prints, paintings, real railroadiana, preowned older trains, or anything railroad, this show is for you!!

We will have a THOMAS Activity Centre and a large Lego Display for the younger children which will give you an excellent opportunity to sell product to parents/grandparents etc.

Our show is renowned for its ease of move-in and setup, facilitated by our drive-in aisles. Clubs and displays have early move-in, Saturday from 7am. Dealers start moving in at 8am. The public admission starts at 11.am on Saturday November 20th.

The enclosed contract gives you booth details. Book EARLY and take advantage of the early bird rates. If you need extra tables or special services - book them now!
